

SRI SATHYA SAI CENTRAL TRUST

Annual Report
(Summary)
2017-18

On 25 May 1947, at the age of twenty, Bhagawan Sri Sathya Sai Baba wrote a letter in reply to his brother's concerns outlining His mission and stating the purpose of His birth. Below is an excerpt from that historic letter written in Telugu script:

I have a Task

To foster all mankind and ensure for all of them
lives full of bliss

I have a Vow

To lead all who stray away from the
straight path again into goodness and save
them

I am attached to a Work that I love

To remove the sufferings of the poor and
grant them what they lack

I have a reason to be proud for I rescue
all who worship and adore Me

I have My definition of the Devotion I
expect Those devoted to Me have to treat
joy and grief gain and loss with
equal fortitude

This means that I will never give up
those who attach themselves to Me

I will not give up My Mission nor My
Determination

I know I will carry them out

Report of the Trustees 2017-18

The year under review was the 92nd year of the advent of Bhagawan Sri Sathya Sai Baba. The celebrations were held throughout the year, not only at Prasanthi Nilayam, but all over India and in many countries around the world. In the week leading up to Bhagawan's birthday that is celebrated on 23rd November every year, devotees along with youth groups from many countries gathered at Prasanthi Nilayam for the occasion.

The Sri Sathya Sai Central Trust (SSSCT) is a unique institution. It is not a religious Trust, but one whose objectives comprise of service to the needy, through activities in the fields of health, education and public utility. Bhagawan has set up landmark institutions and projects with very innovative models for efficient functioning and effective utilisation of resources. The Trustees have been ensuring that these continue to work in the same efficient manner, in the same spirit of inspiration and dedication.

There were 11 board meetings (Board of Trustees - 7 and Board of Management - 4) between 1st April 2017 and 31st March 2018. The following are some of the significant events in Prasanthi Nilayam during this period:

- As in the past, all regular functions and festivals were celebrated in Prasanthi Nilayam.
- Increasing number of devotees have been visiting Prasanthi Nilayam and are participating in the usual festivities, Mandir activities throughout the year and Parthi Yatras.
- Sri Sathya Sai Nithya Anna Seva was inaugurated during the Guru Poornima celebrations by Sri Ravi Shankar Prasad, Union Minister for Information

Technology and Law and Sri Manikyala Rao, AP Endowments Minister.

- Sri Sathya Sai Archives was inaugurated on 22nd Nov, 2017 by Sri M. Venkaiah Naidu, Hon'ble Vice President of India, during the 92nd Birthday Celebrations at Prasanthi Nilayam.
- Sri E S L Narasimhan, Hon. Governor, AP and Telangana states, inaugurated the International Veda conference during the 92nd Birthday Celebrations at Prasanthi Nilayam
- Solar power plants established at Hospitals and University.
- Sri Sathya Sai Centre for Human Values (SSSCHV) was established.
- Constituted a committee for the preparation of Vision Document for SSSCT and other associated organisations.

Details of some of these are provided in appropriate sections of this report.

Being aware of the significance of the next eight years leading to the centenary celebrations of Bhagawan, the Trustees are planning to first consolidate and improve all existing activities and then explore further avenues in the service of society and mankind. In the workings of Central Trust and implementing future projects, the cardinal principles as postulated by Bhagawan will be preserved while keeping in mind the wide-ranging changes that are taking place both in India and abroad.

During the year 2017-18, the average number of devotees per month who were provided

accommodation in the ashram were 25,000. During the same period, the total number of overseas devotees who were staying in the ashram coming from nearly 100 countries, was about 15,500. The number of days a devotee stays in ashram is averaging between 3 to 7. As the accommodation available in ashram is limited, similar number of devotees, both Indian and overseas, were staying outside the ashram. Further, on major festive days such as Birthday and Aradhana day, the devotees thronging for Darshan of Swami would reach between 60,000 to 75,000. It is observed that many new devotees continue to be seen at Prasanthi Nilayam. It is such devotion, commitment, support and participation of a large number of devotees which inspire us.

We gratefully acknowledge the continuous support and assistance that we have been receiving from the

Govt. of India and State Govts. of Andhra Pradesh, Telangana and Karnataka.

We wish to place on record our appreciation of the committed service rendered by employees of the Central Trust, our associate institutions and organisations, the dedicated groups of Seva Dal volunteers from all over India and the large number of our well-wishers from India and abroad.

We, the Trustees, pray to Bhagawan Sri Sathya Sai Baba to make us fit instruments for the continued execution of His Divine Mission and His constant guidance for this task.

Always in His service,

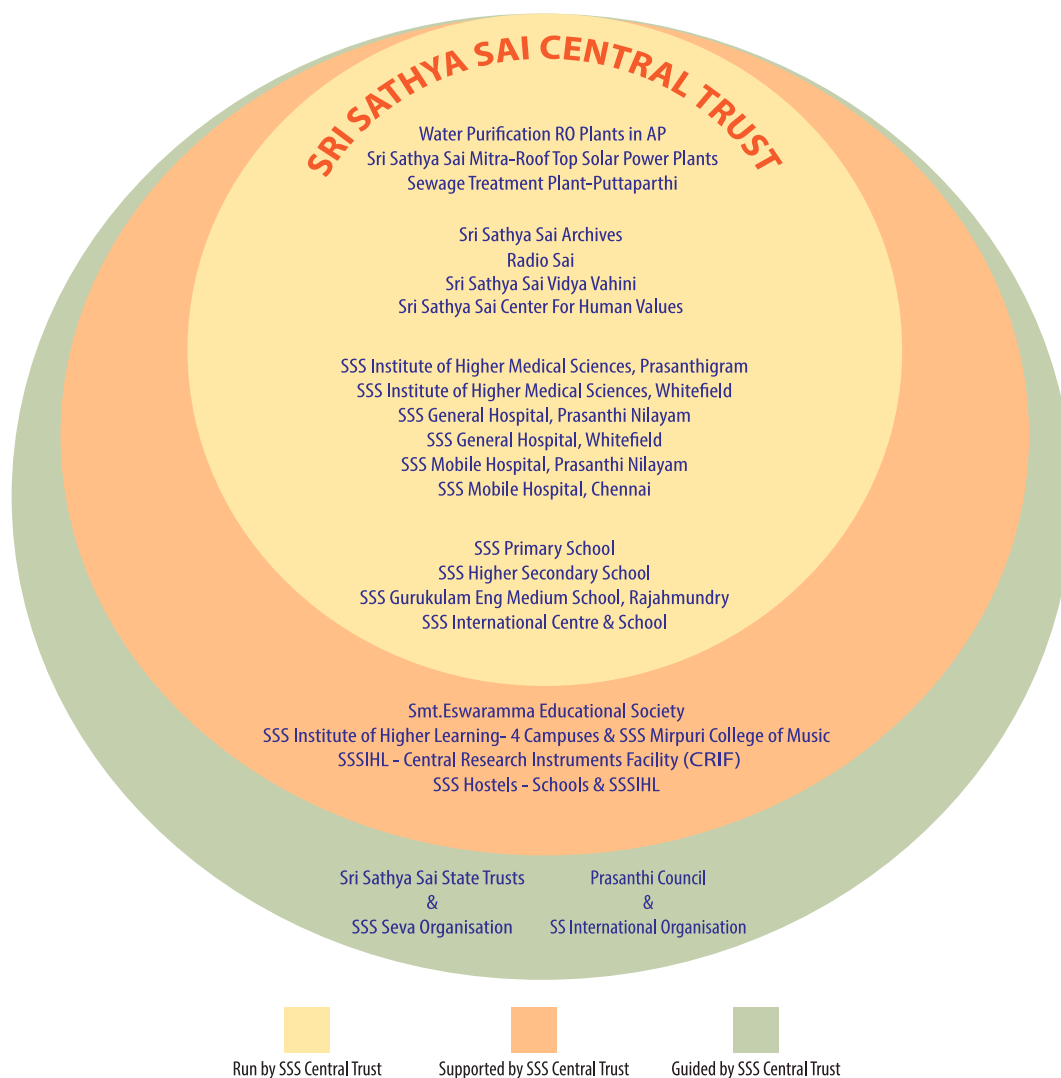

Board of Trustees.

Sri Sathya Sai Mission

The above chart is included to understand the inter-relationship between different units and is not meant to indicate lines of authority or hierarchy.

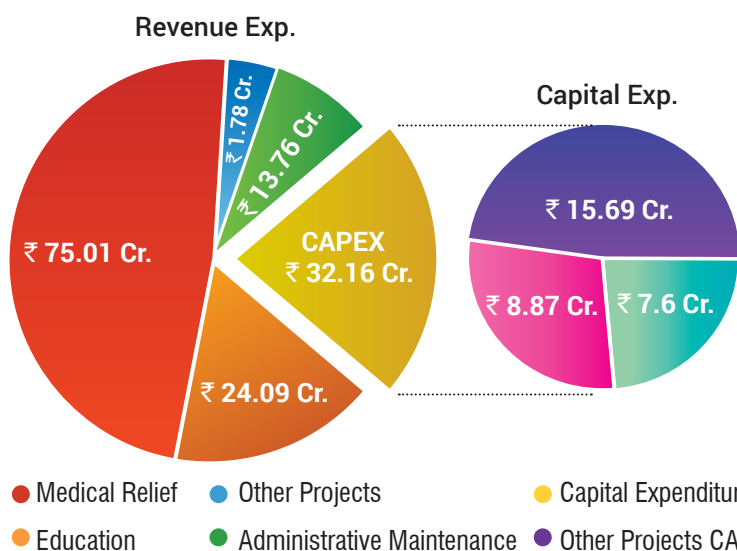

There are many Trusts functioning under the name of 'Sri Sathya Sai Trust (Name of the state)'. In six of these Trusts functioning in the states of Bihar, Punjab, Himachal Pradesh and Haryana & Chandigarh, Andhra Pradesh and Karnataka, the Central Trust has powers to nominate the trustees. In all the other State Trusts, new trustees are appointed by the existing trustees. There are some Sai Trusts and Foundations functioning overseas which are independent bodies and the Central Trust has no legal connection with them though all are connected through the Divine inspiration of Bhagawan Baba.

All contributions to the Central Trust are voluntary from individuals who witness Bhagawan Baba's various projects being executed efficiently, their positive impact on beneficiaries and their providing relief to a large number of people. Further details and procedures could be found in the link -

Compliance & Social Impact

Compliance: Our books of accounts are regularly audited by an eminent firm of auditors. Sri Sathya Sai Central Trust has consistently adhered to procedures of regulatory compliance required by various departments of the government. Central Trust files income tax returns every year and responds promptly to any follow-up queries by the Income Tax Department. Reports required under Foreign Contribution Regulation Act, 1976 are regularly submitted to the Ministry of Home Affairs, Government of India. The Trust has been filing a copy of the annual financial statements along with this statement giving details of additions / deletions to the assets of the Trust, with the Assistant Commissioner of Endowments, Anantapur every year as per Subsection 10 of Section 43 of the Andhra Pradesh Catholic and Hindu Religious Institutions and Endowments Act, 1987. The Trust has been prompt and timely in its history of compliance.

Social Impact: In the last couple of years, Central Trust has installed Reverse Osmosis (RO) plants in villages around Puttaparthi, which has acute drinking water problem. So far 52 such plants have been installed and are fully operational. This is apart from the drinking water supply projects undertaken by the Central Trust in the district of Anantapur, and

transferred to the Government. Central Trust has undertaken extension of this water supply project covering an additional 138 habitations at a cost of ₹ 75 Crores. The total value of the water supply project, is around ₹ 600 Crore.

The Central Trust has been offering free medical care to the needy through two General Hospitals, two Super Speciality Hospitals and as part of outreach program, operates two Mobile Hospitals. During the current year, the two Super Speciality Hospitals alone have provided services to the needy, (computed at CGHS rates) equivalent to ₹ 125 Crores totally free of cost, and from their inception it is equivalent to ₹ 1,873 Crores. If the treatment was provided by corporate hospitals of comparable level of sophisticated equipment and medical services, the savings would be much higher than these figures.

Similarly, the Central Trust runs educational institutions from primary and secondary levels to undergraduate and post graduate courses and Ph.D. degrees, providing contemporary and quality academic programs with value orientation. This again is totally free for the students. The total number of students studying in all these institutions together was 3,774 (2,411 in schools and 1,363 in University).

Sri Sathya Sai Vidya Vahini

Sri Sathya Sai Vidya Vahini (SSSVV) was established by Bhagawan in 2010, to be a seamless, synergistic, safe medium for nurturing and sharing knowledge by harnessing the power of collaborative ideas, people and technology for the welfare of humanity.

SSSVV trains the trainers and teachers on content transaction, classroom management, and latest pedagogical methodology.

Sri Sathya Sai Centre for Human Values

Central Trust has set up the Sri Sathya Sai Centre for Human Values (SSSCHV) to promote research and training in the philosophy of Bhagawan's teachings of eternal human values - Prema, Sathya, Dharma, Shanti and Ahimsa. Bhagawan through His own life, His writings, discourses and intimate conversations with devotees has expounded on the deeper meanings of these Human Values.

The SSSCHV will undertake various research initiatives and training programmes catering to the myriad needs of the humanity at large, through various forums such as conferences, publications, specific lectures and workshops.

During the months of June and July 2017, a 45 day training program was organised for 17 teachers from the various Sri Sathya Sai Schools around the country and provided 'Diploma in Sri Sathya Sai Educare' at Prasanthi Nilayam.

Sri Sathya Sai Seva Organisation (SSSSO)

"Do not restrict your service within certain limits. Be alert to the call everywhere, at all times; be ready with a smile, a kind word, a useful suggestion, some knowledgeable care, a pleasant reply. Look for chances to relieve, rescue or resuscitate. Train yourselves so that you may render help quickly and well".

- Bhagawan Sri Sathya Sai Baba

The SSSSO is a service organisation with a spiritual core to benefit all of Mankind. Active in all states of India, the organisation seeks to help individuals develop a spiritual basis, enabling everyone to pursue his own religion better, by putting its teachings into practice by way of love and service, to the God who dwells in all hearts.
